Step 1 - Colouring the acetate:

- A marbling effect will develop. Wait for it to dry.

Step 3 - Punching a pattern onto cardstock:

- Using the decorative paper punch, punch out the desired pattern onto the card stock, so that the candle light may shine through. Make sure the images line up for an evenly punched result.

Step 4 - Decorate the candle holder:

- Attach the acetate sheet to the punched cardstock with double sided tape.
- Measure the glass height and trim the paper and acetate to the required height.
- Stick edges together with double sided tape to fit over glass
- Light a tea candle inside the glass and enjoy a beautiful soft light effect.
