## STEP-BY-STEP INSTRUCTIONS

### Decorative Salad Servers

by Johan de Lange

Glass and Fire

#### Requirements

- Salad server or similar blanks
- Glass beads of your choice with large enough holes to fit through the rod
- Metal spacers and findings

#### Instructions

- Choose a utensil blank in the length and shape that appeals to you
- Remove the end cap by unscrewing it, so that the rod end is exposed
- Thread the glass beads, spacers and findings in a pattern that you like until you have filled the length of the rod.
- Screw the end cap back into position, so that the beads are tightly secured.
- Your unique salad servers are now ready to be used.

Blanks are available for a variety of utensils including teaspoons, sugar spoons, ladles, serving spoons, carving sets and much more.
